

MANUFACTURER'S CERTIFICATION STATEMENT

For eligible Residential Energy Efficient Property covered under Section 25(C).

Following the IRS guidelines, Greentech Manufacturing, Inc. located at 2716 Crescent Drive, International Falls, MN, 56649, certifies that the outdoor hydronic heaters listed below use a biomass fuel to heat a dwelling or to heat hot water for use in such dwelling and have efficiency ratings of at least 75% as measured using higher heating value. The outdoor hydronic heaters noted below, qualify for the tax credit as a qualified energy property under 25(C) which extends the credit through December 31, 2032.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.

Jessica Holmestad
Greentech Manufacturing, Inc.
